Domestic: sales@asltg.com

International: export@asltg.com

Thank you for your interest in Atlas Specialty Lighting®.

Atlas Specialty Lighting® is one of the largest stocking distributors of replacement lamps for the medical/scientific industry in the U.S. We stock replacement lamps and biomedical batteries for all types of medical equipment including:

MICROSCOPES • OPERATING ROOM LAMPS
FIBER-OPTICS • ENDOSCOPES • PROJECTORS
BIOMEDICAL EQUIPMENT

Lamps are available for equipment from numerous manufactures:

WELCH ALLYN • OLYMPUS • FUJINON • PENTAX • NIKON
LEITZ • LUXTEC • STORZ • STRYKER • BAXTER • WOLF
PERKIN ELMER - DI*STAR

These listings are continuously updated and cross referenced, so call if you don't find the item you are looking for.

ATLAS NOW STOCKS XENON COLD LIGHT SOURCE
REPLACEMENT LAMPS FOR MOST
MEDICAL, SURGICAL AND ENDOSCOPIC USE

And much more! Our battery department can provide you with a single source for all of your biomedical, emergency, and portable power needs. Our electrical department can supply hospital grade plugs, wiring devices, and fuses at very competitive prices.
